

Stinger Spike Operator Course

The Department of Public Safety will be hosting a Stinger Spike operator course for law enforcement agencies in Selma, AL at the ACJTC on October 27, 2009 from 8:00 am until noon. Class size will be limited to 20 slots on a first come first serve basis. **The course is free. Cost for lunch is \$10.00. Lunch is optional.**

This course will improve your knowledge of Stinger Spikes and teach you how to safely end high speed pursuits. You will learn the different methods for deploying the Stinger Spike System as well as safety concerns. You will also take part in practical exercises where the Stinger Spikes will be deployed on vehicles.

Topics include:

- Identify the appropriate time to deploy Stinger Spikes
- Proceeding through the Deployment area
- Deployment of the Stinger Spike System using the two recommended methods
- Skills required to be the Deploying Officer
- Retrieving the Stinger Spike System
- Repairing the Stinger Spike System

Equipment Needed:

None
